Speaker Information

Barry Brandman President Danbee Investigations

Barry Brandman is widely recognized as one of the country's top business security experts.

He is the CEO of Danbee Investigations, an organization that provides professional asset protection solutions and investigative services to manufacturers, distributors, retailers and transportation companies domestically and internationally, including many companies in the pharmaceutical supply chain. Danbee Investigations specializes in security problems such as inventory loss, fraud, product tampering, counterfeiting, diversion and sabotage.

Barry Brandman is the author of two texts, *Security Best Practices* and *The Executive's Guide to Business Security*. He has appeared on network television and been interviewed by publications such as *USA Today*, *Forbes* and *The Journal of Commerce*.

Barry has also been a guest speaker for the U.S. Department of Homeland Security, the PDA/FDA Pharmaceutical Supply Chain Conference, the National Association of Chain Drug Stores, the Healthcare Distribution Management Association, the Pharma Secure Conference, the Council of Supply Chain Management Professionals, the International Association of Compliance Professionals, TAPA, the Warehousing Education and Research Council, and the International Conference on Cargo Security.

10:30 AM

Blue Sky Room: Learn from high level interactive conversations over common challenges and take them head on! Join one of the networking roundtable discussions lead by industry thought leaders:
